RE: Jalmat Pool Allowables  
OCD Case No. 10111, Order No. R-8170-J

Dear Mr. Examiner:

We have received notice that the hearing in this matter is scheduled for January 6, 1994. It is requested that the hearing be continued until a date in February 1994. The grounds for this request is that Doyle Hartman is scheduled to be involved in a trial commencing January 10, 1994 in Midland, Texas. For a considerable period in advance of that date, Mr. Hartman and his staff have been and will be occupied and cannot prepare exhibits and testimony that would be crucial to a proper consideration of the issue of continuation of the minimum gas allowable for the Jalmat Gas Pool.

Your consideration is greatly appreciated.

Very truly yours,
