RE: Case #11043
Application for Salt Water Disposal Well
San Juan County, New Mexico

Dear Mr. Catanach:

This letter is to serve as formal notice that J.K. Edwards Associates, Inc. hereby withdraws its application for salt water disposal in the Bengal "A" No. 1 well in Section 1, T26N-R12W San Juan County, New Mexico per the above referenced case number. This withdrawal is made due to the potential for having to conduct remedial work on the P & A'd wells in the area.

We anticipate filing a new application for this well for injection to the Dakota formation which should eliminate the old well bore problem. Your cooperation and assistance has been greatly appreciated.

Very truly yours,

J.Keith Edwards
President
