Re: **REQUEST TO DISMISS**  
NMOCD Case 11139  
Seymour Com Well No. 1, C-36-30N-11W  
Application of Meridian Oil Inc.  
for downhole commingling and an  
unorthodox coal-gas well location,  
San Juan County, New Mexico

Dear Mr. Stogner:

On October 17, 1994, on behalf of Meridian Oil Inc., I filed the referenced application which is now docketed as Case 11139 and set for hearing on November 10, 1994.

Today, I filed another application for this same well but with a different coal gas spacing unit. Accordingly, I would appreciate the referenced case being dismissed and the application filed on November 3, 1994 docketed as a new case to be heard on December 1, 1994.

Very truly yours,

W. Thomas Kellahin
