Re: Application of D & J Oil Company for an Unorthodox Well Location, Lea  
County, New Mexico

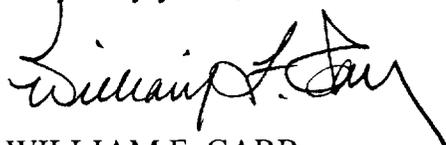

Gentlemen:

This letter is to advise you that D & J Oil Company has filed an application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location in the Southwest Gladiola-Devonian Pool for a well to be drilled at an unorthodox location 642 feet from the South line and 2434 feet from the East line (Unit O) of Section 27, Township 12 South, Range 37 East, N.M.P.M., Lea County, New Mexico. The W/2 SE/4 of Section 27 will be dedicated to this well in the Devonian formation.

This application has been set for hearing before an Examiner of the Oil Conservation Division on October 19, 1995. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR  
ATTORNEY FOR D & J OIL COMPANY

Re: Application of D & J Oil Company for an Unorthodox Well Location, Lea  
County, New Mexico

Dear Mr. and Mr.s Wilder:

This letter is to advise you that D & J Oil Company has filed an application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location in the Southwest Gladiola-Devonian Pool for a well to be drilled at an unorthodox location 642 feet from the South line and 2434 feet from the East line (Unit O) of Section 27, Township 12 South, Range 37 East, N.M.P.M., Lea County, New Mexico. The W/2 SE/4 of Section 27 will be dedicated to this well in the Devonian formation.

This application has been set for hearing before an Examiner of the Oil Conservation Division on October 19, 1995. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR

Re: Application of D & J Oil Company for an Unorthodox Well Location, Lea  
County, New Mexico

Dear Ms Modisette:

This letter is to advise you that D & J Oil Company has filed an application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location in the Southwest Gladiola-Devonian Pool for a well to be drilled at an unorthodox location 642 feet from the South line and 2434 feet from the East line (Unit O) of Section 27, Township 12 South, Range 37 East, N.M.P.M., Lea County, New Mexico. The W/2 SE/4 of Section 27 will be dedicated to this well in the Devonian formation.

This application has been set for hearing before an Examiner of the Oil Conservation Division on October 19, 1995. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
