***Re: NMOCD Case No. 11334 Motion to Dismiss:***

The Application of Phillips Petroleum Company, for a Determination of Proportionate Share of Recoverable Hydrocarbons and for a Special Depth Bracket Oil Allowable for the South Peterson-Fusselman Oil Pool, Roosevelt County, New Mexico

Dear Mr. Stogner:

On Thursday, July 20, 1995, Enserch filed a Motion to Dismiss Phillips' Application in this matter. A hearing on Phillips' Application is currently set for Thursday, July 27, 1995.

Enserch currently has several witnesses scheduled to fly into Santa Fe for the hearing. We request that a hearing on the Motion to Dismiss be conducted at your earliest convenience as a ruling favorable to Enserch would eliminate the need for the witnesses to travel to Santa Fe unnecessarily.

Thank you for your prompt attention to this matter.

Very truly yours,
