Re: Oil Conservation Division Case No. 11334:
The Application of Phillips Petroleum Company, for a Determination of
Proportionate Share of Recoverable Hydrocarbons and for a Special Depth
Bracket Oil Allowable for the South Peterson-Fusselman Oil Pool, Roosevelt
County, New Mexico

Dear Mr. Stogner:

Enclosed is Enserch Exploration Inc.'s Motion for Continuance of the July 13, 1995 hearing
in the above-referenced case.

As you will note, this continuance is necessary to enable Enserch to review data it is seeking
by subpoena from Phillips and be prepared to oppose this application.

Mr. Kellahin advised me yesterday afternoon that Phillips opposes this motion.

I am available at your convenience to argue this motion either by telephone or in person.
