ROY JOHNSON,

the witness herein, after having been first duly sworn upon his oath, was examined and testified as follows:

DIRECT EXAMINATION

BY MR. CARROLL:

Q. Mr. Johnson, would you please state your name, your employer and your position with your employer for the record, please?

A. My name is Roy Johnson. I'm Senior Petroleum Geologist with the New Mexico Oil Conservation Division here in Santa Fe.

Q. And have you testified before the Division before and had your qualifications accepted?

A. Yes.

Q. And today are you prepared to make recommendations concerning the nomenclature in certain pools in Eddy and Chaves Counties -- no, Chaves and Lea Counties, New Mexico, and in Chaves and Eddy Counties, New Mexico?

A. I am.

Q. And how are your recommendations set forth?

A. In forms of exhibits, Exhibit Number 1 in both cases.

Q. All right. And have you had the opportunity to review the Exhibits Numbered 1 in each case and compare it

1 with the docket that's been prepared for today's hearing to  
2 determine if there's any discrepancy between the two?

3 A. Yes, I have, and there are no discrepancies.

4 However, we do ask that in Case 11,341, that  
5 Paragraph (b), as in "boy", be dismissed.

6 MR. CARROLL: So, Mr. Examiner, I would ask that  
7 Paragraph (b) in Case Number 11,341 be dismissed.

8 EXAMINER STOGNER: Let the record show that the  
9 creation of a new pool in Eddy County, New Mexico, that was  
10 to be known as the Southwest Forty Niner Ridge-Delaware  
11 Pool, is hereby dismissed.

12 MR. CARROLL: Mr. Examiner, I have nothing  
13 further of this witness, and I offer Exhibits Number 1 and  
14 1 into the record in Cases 11,340 and 11,341.

15 EXAMINER STOGNER: Both Exhibits 1 will be  
16 admitted into evidence at this time. I have no questions  
17 of Mr. Johnson. He may be excused.

18 Is there anything else further in either Case  
19 11,340 or 11,341?

20 MR. CARROLL: No.

21 EXAMINER STOGNER: There being none, these cases  
22 will be taken under advisement, and hearing adjourned.
