1           WHEREUPON, the following proceedings were had at  
2           1:36 p.m.:

3           EXAMINER STOGNER: I'll call Case 11,401, which  
4           is in the matter of the hearing called by the Oil  
5           Conservation upon its own motion for an order creating and  
6           extending certain pools in Chaves and Eddy Counties, New  
7           Mexico.

8           This portion of the docket depicts pool creations  
9           and extensions proposed by the geologist in the Artesia  
10          District Office of the Division. Such additions and  
11          changes are based on production and development within  
12          those pools listed.

13          There are no corrections to be made on the  
14          information depicted on the docket with that information  
15          submitted by the geologist of the Artesia District Office.

16          At this time I'll call for any additional  
17          testimony, corrections or comments.

18          This matter will be taken under advisement.

19          With that, hearing adjourned.

20          (Thereupon, these proceedings were concluded at  
21          1:37 p.m.)
