1           WHEREUPON, the following proceedings were had at  
2   9:16 a.m.:

3           CHAIRMAN LEMAY: Now call Case 11,504, which is  
4   the Application of Manzano Oil Corporation for pool  
5   creation and special pool rules, Chaves County, New Mexico.

6           This case was a *de novo* case scheduled for today,  
7   and is there -- I think there was a motion to dismiss this  
8   case?

9           Mr. Carr?

10          MR. CARR: May it please the Commission, this  
11   case was originally a Manzano Oil Corporation case. Julian  
12   Ard filed an Application for hearing *de novo*. They  
13   requested that Manzano provide to them all data on the  
14   well. That was done last Friday.

15          After reviewing the data, I was advised by Mr.  
16   Padilla that they had determined that they would not move  
17   forward with this case and would request that it be  
18   dismissed.

19          CHAIRMAN LEMAY: Okay. Is there anyone that has  
20   contrary evidence or testimony?

21          If not, Case Number 11,504 will be dismissed  
22   without prejudice.

23          (Thereupon, these proceedings were concluded at  
24   9:17 a.m.)
