Dear Mr. Carroll:

In regards to your letter dated November 7, 1996 concerning Case No. 11516. I have sent form c-103 (Intention to plug and abandon) to the Oil Conservation Division and received a reply from them on Aug 20, 1996. with revisions to my original procedure. I have since been trying to get a plugging crew to plug this well. The oil industry is at an end of the year peak . Not being in the Oil business I am not being given priority with the plugging people. However I have every intention of plugging this well and have been given a promise from Pride Well Service to be placed on their list . Raymond Maldonado is conversing with Ray Smith of the Artesia OCD in this matter.

This plugging obligation is the only oil well I have and I have never produced or received any kind of income from it. I acquired this obligation through a partnership bankruptcy and I am relying totally on Professional Plugging Services to take care of this job.

I trust the State of New Mexico will allow me the time I need to get this project done

Sincerely,

Dean Wilcox
