Case 11520

Dear Mike:

By letter dated April 1, 1996, Mewbourne Oil Company requested an increase in the surface injection pressure for its Querecho Plains Bone Spring waterflood. I understand that this application will be set for hearing. If that is the case, enclosed is a proposed advertisement. Mewbourne requests that it be set for the May 2, 1996 examiner hearing. Thanks. Please call if you have any questions.

Very truly yours,
