Re: Hartman Rhodes Application, OCD Case No. 11528

Dear Rand:

Thank you for the call yesterday and the courtesy you extended in checking with me about the status of this application. Based on that conversation, I understand that this case will be continued to the Division's July 11 docket. I hope to have some word for you prior to that date about whether we will even need to proceed with the application at all. Again, thank you for your consideration.

Very truly yours,

GALLEGOS LAW FIRM, P.C.

MEMO TO CASE FILE NO. 11528

Case No. 11528 was originally scheduled to be heard at a special examiner hearing on June 5, 1996. The case was not heard on this date due to a requested continuance by Mr. Michael Condon, attorney for Doyle Hartman. Mr. Condon requested the case be continued indefinitely as a result of a pending settlement between Hartman and Meridian Oil Inc. The case will be continued for now and will most likely be dismissed once the settlement has been finalized.
