1           WHEREUPON, the following proceedings were had at  
2   11:06 a.m.:

3           EXAMINER STOGNER: Need to call at this time Case  
4   Number 11,641.

5           MR. CARROLL: Application of ARCO Permian, a  
6   Division of Atlantic Richfield Company, for compulsory  
7   pooling and unorthodox well location, Eddy County, New  
8   Mexico.

9           MR. CARR: May it please the Examiner, my name is  
10   William F. Carr with the Santa Fe law firm Campbell, Carr,  
11   Berge and Sheridan.

12           We represent ARCO Permian in this matter and have  
13   requested that it be continued to the Examiner hearing  
14   scheduled for November 21st.

15           EXAMINER STOGNER: Mr. Carr, I understand that's  
16   going to be readvertised at that time also?

17           MR. CARR: There was also -- There was an error  
18   in the ad, Mr. Stogner, and we caught it in time to  
19   readvertise it for that date. The ad originally provided  
20   that we were going to be pooling all interests developed on  
21   320 acres under the west half of the section. In fact, it  
22   should be the south half. It has been corrected. And so  
23   by presenting it on the 21st, all notice requirements will  
24   be met.

25           EXAMINER STOGNER: With that, Case Number 11,641

1 will be continued at this time to the November 21st, 1996,  
2 Examiner's hearing, and -- which has been readvertised to  
3 show the south half being the 320-acre designation for this  
4 particular well.

6 11:08 p.m.)
