Re: Estate of Lois Burrows - NE/4 of Section 17,
T-17-S, R-38-E, NMPM, Lea County, New Mexico.

Dear Ms. Jones:

Maralo Inc. has acquired oil and gas leases covering the captioned land from Minta C. Burrows, James L. Burrows and Elizabeth E. Waldrip Duke, among other lessors. Maralo now plans to drill an exploratory well on said property. In preparation for such well, Maralo has asked their title attorney to render an opinion as to the ownership of the mineral interest of said land.

After a careful review of the documents included with the probate of the will of Lois M. Burrows (Cause No. 4518, Lea County, NM), it is the attorney's opinion that you could possibly assert a claim to one-fourth (1/4) of the mineral interest owned by Mrs. Burrows in said land. It is the requirement of our attorney that Maralo contact you, prior to the drilling of a well, to determine if you assert any claim to the aforesaid mineral interest and then obtain the necessary documentation to remove any cloud from our title. Maralo will prepare all necessary documents at their expense.

I have been unable to locate a telephone number for you, please call me collect at your earliest convenience.

Yours very truly,

William F. Smith

Gentlemen:

This letter is to advise you that Maralo, Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of certain mineral interests in and under the NE/4 NE/4 of Section 17, Township 17 South, Range 38 East, N.M.P.M., Lea County, New Mexico. Maralo, Inc. proposes to drill its Burrows "17" No. 1 Well at an unorthodox location 870 feet from the North line and 1180 feet from the East line of said Section 17.

This application has been set for hearing before a Division Examiner on November 7, 1996. You are not required to attend this hearing but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed in the Division. Prehearing statements should be filed by 4:00 p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
