Gentlemen:

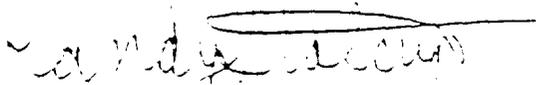

Mallon Oil Company hereby proposes the drilling of a 13,300' Morrow Test Well at the above-captioned location. The spacing unit for said Test Well would be the north half of Section 30. Enclosed is an AFE for your evaluation. Should you wish to participate in said Test Well, the parties would enter into a mutually acceptable UCA covering the spacing unit. In the event you do not wish to participate in said Test Well, Mallon respectfully requests a farmout of your leasehold interest under the following terms and conditions.

1. Mallon would drill a Test Well to a total depth of 13,300'.
2. Should Mallon complete a productive oil and/or gas well, you would assign Mallon all of your rights, title and interest in the north half of Section 30 from the surface down to 100' below total depth drilled.
3. You would reserve an overriding royalty in equal to the difference between twenty-five percent (25%) and current lease burdens.

Mallon desires to spud this well around the first of the year. Your prompt attention to this matter is greatly appreciated.

Sincerely,

Mallon Oil Company
