Oil Conservation Division  
Attn.: Mark Ashley  
2040 S. Pacheco  
Santa Fe, NM 87505

Dear Mark:

In accordance with our previous conversation related to any potash lease in the SE/SE of Section 3 T20 SR33E, we have reviewed our files and have subsequently reviewed the BLM records in both Roswell and Santa Fe and concluded there are no potash leases.

Should you have questions related to this problem contact me at your convenience.

Sincerely,

  
Don Shackelford
