And 0.25 net acres, more or less

Dear Ms. Rast:

Paladin Energy Corp. has purchased the WW Hamilton A No. 2 well that is currently temporarily abandoned. In this respect, Paladin is acquiring oil and gas leases so that they may re-enter the well and make a completion attempt in the Devonian formation.

Therefore, on behalf of Paladin Energy Corp., we submit an offer covering your mineral interest in the captioned lands of \$50.00 per net mineral acre bonus consideration for an eighteenth (18) month oil and gas lease that provides for a three-sixteenths (3/16ths) royalty interest on production.

Please consider this proposal as we are anxious to finalize our plans for this project. Should you have any questions, please contact me at the above phone number. Thank you.

Yours truly,

Blaine Hess

Dear Ms. Rast:

Please find enclosed for your approval and signature the Paid-Up Oil and Gas Lease form, including a 10 day working sight draft in the amount of \$50.00.

The basic terms of the lease are a primary term of two years, royalty on production of 1/4th and bonus payment of \$200.00/net mineral acre, inclusive of paid up-rentals.

Please review the lease form and confirm that the information is correct. If the information is correct, please execute the lease and have your signature notarized in the spaces provided. Also please endorse the draft and submit it along with the executed lease to your bank for collection. If you have any additional questions, please call me at (505) 623-5400.
