*Re: Application of Marbob Energy Corporation for contraction of the Lusk-Morrow Gas Pool, Eddy and Lea Counties, New Mexico.*

Ladies and Gentlemen:

This letter is to advise you that Marbob Energy Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking contraction of the Lusk-Morrow Gas Pool in Eddy and Lea Counties, New Mexico.

This application has been set for hearing before a Division Examiner on September 21, 2000. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Prehearing Statement three days in advance of a scheduled hearing. This statement must include: the names of the parties and their attorneys, a concise statement of the case, the names of all witnesses the party will call to testify at the hearing, the approximate time the party will need to present its case, and identification of any procedural matters that are to be resolved prior to the hearing.

Re: Lusk Morrow Pool Rules

Dear Sir:

It has come to our attention that Marbob is requesting a reduction in the size of the referenced pool rules. Lynx Petroleum is an operator of an existing well in the pool and we also plan to drill future wells in the pool area. It is our opinion that the proposed changes are in the best interest of all parties concerned. Therefore, Lynx Petroleum is in support of Marbob's application.

If you have any questions or need additional information, please call.

Sincerely,

LYNX PETROLEUM CONSULTANTS, INC.
