EXHIBIT "A"

TO SUBPOENA DUCES TECUM TO POGO PRODUCING COMPANY IN NEW MEXICO OIL CONSERVATION DIVISION CASE NO. 12619

DOCUMENTS TO BE PRODUCED: All documents, records and data on the matters described below in your possession or under your control pertaining to the WBR Fed. Com. Well No. 5 which is the subject of the application filed by Pogo Producing Company in Case No. 12619:

- (1) Reservoir pressure data, including, but not limited to, bottom-hole pressure surveys or pressures, pressure buildup tests, surface pressure readings, daily tubing pressures and casing pressures, drill stem tests, with relevant information as to shut-in-times and production rates before shut-in;
- (2) All data on any initial testing and any completion data to date, showing actual production of oil, gas and water;
- (3) Mechanical (electrical and radioactivity) logs, mud logs (paper and digital format) and information on perforated intervals;
- (4) Specific gravity information on liquids produced from the subject well; and
- (5) All daily drilling reports and directional surveys.

INSTRUCTIONS

This Subpoena Duces Tecum seeks all information available to you or in your possession, custody or control from any source, wherever situated, including but not limited to information from any files, records, computers documents, employees, former employees, consultants, counsel and former counsel. It is directed to each person to whom such information is a matter of personal knowledge.

When used herein, "you" or "your" refers to the person or entity to whom this Subpoena Duces Tecum is addressed, including all attorneys, officers, agents, consultants, employees, directors, representatives, officials, departments, divisions, subdivisions, subsidiaries, or predecessors of the entity.

The term "document" as used herein means every writing and record of every type and description in the possession, custody or control of the entity to whom this subpoena is addressed, whether prepared by you or otherwise. It also includes duplicate copies if the original is unavailable or if the duplicate is different in any way, including marginal notations, from the original.
