Re: NMOCDC Case No. 12622; Application of Nearburg Exploration Company LLC for  
Non-standard Gas Spacing and Proration Units, Lea County, New Mexico

Dear Counsel:

This firm represents Raptor Natural Pipeline LLC, a party of record in the above-referenced proceeding. Our initial Entry of Appearance in this matter was filed on March 14, 2001.

It is a clear and unambiguous requirement under Rule 1208.A that a party submitting any pleading or correspondence to the Division simultaneously provide copies to all attorneys of record, either by hand-delivery, by facsimile or by e-mail. Until Mr. Brooks's June 25, 2001 correspondence arrived today, **no pleadings, correspondence or any other materials were provided to me by either of you.** Clearly, my ability to effectively represent the interests of my client have been prejudiced as a result.

Before 12:00 p.m. tomorrow, June 27, 2001, the following documents should be produced for inspection and copying at my office:

- (1) All correspondence submitted to the Division.
- (2) All pleadings filed with the Division.

William Carr, Esq. and Tom Kellahin, Esq.  
June 26, 2001  
Page Two

- (3) All documents and other materials described in any subpoena issued by the Division in this matter.
- (4) All other documents and materials produced pursuant to any written, verbal or otherwise informal arrangement.

If you are unable to comply with this request, please advise no later than 9:30 a.m. tomorrow morning.

Very truly yours,

MILLER, STRATVERT & TORGERSON, P.A.

J. Scott Hall
