Texaco State "BA" Pressure Maintenance Project

Dear Mr. Carr:

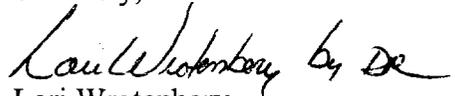

Reference is made to your request on behalf of Texaco Exploration & Production, Inc. dated June 21, 2002, for an extension of time in which to convert the following wells to injection within the Texaco State "BA" Pressure Maintenance Project:

<u>Well Name &amp; Number</u>	<u>API Number</u>	<u>Well Location</u>
State "BA" No. 6	30-025-20057	Unit D, Section 36, T-17S, R-34E
State "BA" No. 8	30-025-20986	Unit B, Section 36, T-17S, R-34E
State NCT-1 No. 38	30-025-33148	Unit I, Section 36, T-17S, R-34E

Pursuant to the provisions of Order No. R-11608, injection operations were to have commenced within these wells by June 22, 2002, unless the operator requests an extension from the Division.

For the reasons outlined in your letter, Texaco Exploration & Production Inc. is hereby granted an extension until June 22, 2003, in which to convert the above-described wells to injection within the subject pressure maintenance project.

Sincerely,

  
Lori Wrotenbery  
Director
