Re: Division Order No. R-11638  
Texland Petroleum-Hobbs L.L.C.

Dear Mr. Carr:

Reference is made to your letter dated August 19, 2002 on behalf of Texland Petroleum-Hobbs L.L.C. for an extension of time in which to commence injection operations within the Hobbs Upper Blinbry Cooperative Waterflood Project.

Pursuant to the provisions of Order No. R-11638, injection within this project through fifteen initial injection wells was to have commenced by August 20, 2002, or the injection authority for these wells would terminate, unless the operator requests an extension from the Division.

For the reasons outlined in your letter, Texland Petroleum-Hobbs L.L.C. is hereby granted an extension until August 20, 2003, in which to commence injection operations into the fifteen wells shown on Exhibit "A" attached hereto.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lori Wrotenbery", followed by a horizontal flourish.

Lori Wrotenbery
