Gentlemen:

You acquired a portion of the interest of Twodubyah, LLC under the captioned well and the related leases. The location for the Big "D" State #1 Well is unorthodox for an oil well for geological and topographical reasons. Concho Oil & Gas Corp., as the Operator, has applied for a hearing for this unorthodox location on December 6, 2001. Although you technically have approved this location by your assumption of the rights and obligations of Twodubyah, LLC under our Operating Agreement, we request that you approve the unorthodox location and waive your rights to objection for the purpose of expediting our unorthodox hearing.

Please review this letter and if it meets with your approval, please execute and return it as soon as possible. It is imperative that we receive this letter by December 1, 2001.

Yours truly,

Michael M. Gray
Senior Landman
