Attn: Mr. Tim Gum:

Re: Inactive Non Compliance Wells

Dear Mr. Gum:

We are in receipt of your fax of the copy of the letter from your office dated January 11, 2001. In complete honesty, I cannot recall having ever seen or read this notice before; however, I recognize that this is not your problem but mine.

In response, we have returned most of the wells on the list to production. I am now preparing you a detail of the status of each well and our plans for all the wells not in compliance with OCD rules and regulations.

I appreciate your willingness to work with us in this situation. Upon receipt of our plan of action, please notify me of any problems or changes you require.

Very truly yours,

  
Frosty Gilliam, Jr.  
President
