The last inspection of our files are represented by your information. I cannot explain the conflict between what is represented by the C-115 and C-103 information.

Re: Parrish, H. Dwayne and Rhonda K.
Caroline lease in Unit "C" Sec. 28-T19S-R28E

Van's spreadsheet indicates that the Caroline Well No. 1 (30-015-02305) is on production. There is a C-103 dated 8-4-02 that confirms this. However there is no reported production in ONGARD for this well. ONGARD does show production in Oct. and Nov. 2002 for the No. 6 well also in Unit "C". There is however no C-103 that confirms this. Which of these two wells is actually producing? Thanks.

Mike

Attached is an Excel file that contains updated information on the status of the wells in Case No. 12811. The worksheet labeled Van's log is the most current info.

David,

I hope I got them all. I added pertinent information where I felt needed (in the district remarks). If you need anything else, or I missed something let me know.
