Re: Case No. 12928; application of Mewbourne Oil Company for  
compulsory pooling, Eddy County, New Mexico

Dear Mr. Brooks:

Enclosed is a copy of the revised advertisement in the above case,  
which has been filed with Florene Davidson. Also, enclosed is a  
pooling form with the pertinent pool information.

As discussed at hearing, the order should (1) require separate  
unorthodox location approval before any oil zone is produced, and  
(2) require the existing Wolfcamp well in the NW¼ of Section 11 be  
plugged before applicant completes in that zone.

Very truly yours,

James Bruce

Attorney for Mewbourne Oil Company
