

NOTICE FOR PUBLICATION
STATE OF NEW MEXICO
OIL CONSERVATION COMMISSION

Pursuant to Chapter 193, Session Laws of New Mexico, 1937, State of New Mexico, by which Act the Oil Conservation Commission of New Mexico was vested with the authority and duty of regulating and conserving the production of and preventing waste of Carbon Dioxide (C.O.₂) Gas within this state in the same manner, insofar as is practicable as it regulates, conserves and prevents waste of natural or hydrocarbon gas, and by which said Act the provisions of Chapter 72, Session Laws of New Mexico, 1935, relating to gas, or natural gas, were made to apply to Carbon Dioxide (C.O.₂) gas, insofar as the latter said provisions of law are applicable, notice is hereby given that a public hearing will be held at the Capitol, Santa Fe, New Mexico, on the 19th day of June, 1937, at 9:00 A.M. for the purpose of considering the following:

Case No. 7.

(a) The devising and the adoption of general rules and regulations for Carbon Dioxide (C.O.₂) gas for the entire area of New Mexico.

(b) The devising and the adoption of special rules and regulations for Carbon Dioxide (C.O.₂) gas for the area of Harding county.

(c) The devising and the adoption of special rules and regulations for Carbon Dioxide (C.O.₂) gas for the area of Torrance county.

Any person having any interest in the subject of the said hearing shall be entitled to be heard.

Given under the seal of said Commission at Santa Fe,
New Mexico, on May 27, 1937.

Case 7

Santa Fe, New Mexico
July 8, 1937

Mr. G. D. Macy,
State Geologist,
Santa Fe, N.M.

Dear Mr. Macy;

Am sending you herewith transcript of proceedings taken at meeting of the Oil Conservation Commission on June 19th, together with bill. Sorry to be so late with it, but waited some time to hear from Mr. Livingston as you said you would have him call me regarding number of copies you wished.

If you still feel that you wish me to report the meeting to be held on the 12th and 13th of July I would appreciate it a lot if you would send me some literature on oil drilling, etc., as it has always been my custom to read up on a subject before doing any reporting.

Many thanks.

Very truly yours,

M. C. Simpson

Dear Dr. Wells:

We will have an open Hearing covering
the Carbon Dioxide industry and fixing rules
and regulations for the same on June 19th,
at 9:00 A.M., at Santa Fe.

If you can arrange to attend we will
appreciate very much your presence, and if
you could get here the afternoon before I
would like to go over the matters with you
which will probably be discussed at this
Hearing.
