Re: Case No. 50

Dear Al:

Enclosed please find copy of Notice of Publication in the above captioned case which is set for 10 A.M., March 24, Santa Fe, New Mexico.

The Commission does not undertake to determine title of property. That is a matter for the parties to determine themselves in a Court having jurisdiction. The Commission as a quasi-judicial body does have jurisdiction to determine, upon proper testimony, whether a well is abandoned and if abandoned, to promulgate and order to plug the well in accordance with the laws, rules and regulations of the Commission.

Very truly yours,
