

BEFORE THE OIL CONSERVATION COMMISSION  
OF THE STATE OF NEW MEXICO

In the Matter of the Mascho Area                    )  
  )  
Unit Agreement, Lea County, New Mexico        )        Case No. 63

PETITION FOR APPROVAL OF UNIT AGREEMENT

Comes now Stanolind Oil and Gas Company and states:

That it is a corporation engaged in the production of oil and gas in the State of New Mexico, and prays the approval by this Commission of the Mascho Area Unit Agreement, Lea County, New Mexico, embracing 3835.20 acres, described as follows:

In Township 21 South, Range 33 East  
All of Section 36  
In Township 21 South, Range 34 East  
All of Sections 31 and 32  
In Township 22 South, Range 33 East  
All of Section 1  
In Township 22 South, Range 34 East  
All of Section 5 and 6

A copy of the proposed unit agreement is already on file with the Oil Conservation Commission, and executed copies will be filed with the Commission prior to any hearing ordered hereon.

The lands in the proposed unit area are all owned by the United States or the State of New Mexico, and the unit agreement now on file with the Commission has already received the approval of the Department of the Interior of the United States, and has been submitted to the Honorable John E. Miles, Commissioner of Public Lands, for his approval under Chapter 88 of the Session Laws of 1943. All other parties interested, whether by way of working interests or overriding royalty, will join in the execution of the proposed agreement.

Petitioner states that in its opinion the area embraced in the unit agreement is one that should properly be developed and operated

as a unit; that such unit operation will tend to prevent waste, and will result in a larger ultimate recovery of oil and gas than would be the case if the area was developed otherwise than as a unit; and that by development and operation under the proposed unit agreement the State, the United States and all interested parties will each receive its fair share of the oil or gas in place under the area involved.

WHEREFORE, this Petitioner prays that this honorable Commission set this application for hearing at some convenient date and that said unit agreement be approved by the Commission.

Respectfully submitted,

STANOLIND OIL AND GAS COMPANY
