Will you please furnish us with a well log on this well and get an order from the Commission in an open hearing to transport oil from this well. Dear Stanley:

I have to go to Santa Fe for the week-end, but I want to remind you again that it is my opinion that Jones and Watkins should get an approved C-110 to show that they own the well formerly operated by the Continental Oil Company. We also need a certified plat showing where the Stanley L. Jones, Inc. No. 13 State is located and a E-102 showing a change of location on both of your wells.
