Re: Carrizozo Unit Area

Dear Dick:

In looking through our files we find that we have never received a copy of the Order approving the Carrizozo Unit Agreement in Case No. 209. I assume that you have been waiting for us to draft the Order and send it to you, which we have overlooked doing. Accordingly, we have drafted an Order and enclose the original and several copies.

I would appreciate your having the Order signed immediately and return to us by air mail as we have the complete unit agreement signed up and ready to be filed with the U.S.G.S., and want to file with the same. If it is possible for you to do so, I would like for you to return three signed copies. Anything you can do to expedite this matter will be greatly appreciated.

Yours sincerely,

HERVEY, DOW & HINKLE
