Case 400

Oil Conservation Commission
Box 871
Santa Fe, New Mexico

Dear Mr. Spurrier:

This is to call your attention to an error in Order R-229 which is a dual completion order for the Humble Oil & Refining Company. In the paragraph at the top of the page which refers to the application the well is listed as # 1 whereas in the findings and in the order it is referred to as well # 2.

This was brought to my attention by the local office of the Humble Oil & Refining Company.

Yours very truly,

OIL CONSERVATION COMMISSION
