

Case 489

Oil Conservation Commission
State of New Mexico
Santa Fe, New Mexico

Gentlemen:

Reference is made to Humble Oil & Refining Company's application to dually complete Humble New Mexico State V-8, Drinkard Field, Lea County, New Mexico, dated October 30, 1952.

In said application, the location of Humble New Mexico State V-8 well was inadvertently recited to be in the NE/4 of the SW/4 of Section 10, T-21-S, R-37-E, Lea County, New Mexico. The actual location of said well is in the NE/4 of the SE/4 of Section 10, T-21-S, R-37-E, Lea County, New Mexico, as is depicted upon plat showing all wells on Humble New Mexico State V lease and offset leases attached to said application as Exhibit A.

This erroneous reference to the location of said well in the application was noted at the public hearing conducted by the Oil Conservation Commission at Santa Fe, New Mexico, on Tuesday, December 16, 1952, at which time it was required that offset operators waive any objections to the dual completion of Humble New Mexico State V-8 well located in the NE/4 of the SE/4 of Section 10, T-21-S, R-37-E, Lea County, New Mexico.

Therefore, the undersigned agrees that it will not be necessary to publish a new application or conduct a further hearing regarding the application of Humble Oil & Refining Company to dually complete Humble New Mexico State V-8 well located in the NE/4 of the SE/4 of Section 10, T-21-S, R-37-E, Lea County, New Mexico, and the undersigned hereby waives any and all objections to said application and hereby expresses accord with the granting of said application by the Oil Conservation Commission.

Gentlemen:

Reference is made to the application of Humble Oil & Refining Company dated October 30, 1952 to dually complete Humble New Mexico State V-8 Drinkard Field, Lea County, New Mexico, which said application appears as Case No. 454 on your docket covering regular hearings set for December 16, 1952.

Continental Oil Company has been informed by Humble Oil & Refining Company that in said application the location of said well was inadvertently recited to be in the NE/4 of the SW/4 of Section 10, T-21-S, R-37-E, Lea County, New Mexico, whereas the correct location of said well is in the NE/4 of the SE/4 of Section 10, T-21-S, R-37-E, Lea County, New Mexico, as shown on Humble's Exhibit "A" attached to its said application and showing all wells on Humble New Mexico State V Lease and offset leases.

Humble Oil & Refining Company has also informed Continental Oil Company that this erroneous reference to the location of said well in said application was noted at the public hearing conducted by the Oil Conservation Commission of the State of New Mexico at Santa Fe, New Mexico, on Tuesday, December 16, 1952, whereupon the Oil Conservation Commission suggested that in the event Humble Oil & Refining Company secured waivers from all offset operators it would not be necessary to publish new notices and hold a new hearing on said application.

In view of the above, you are hereby respectfully advised that Continental Oil Company does hereby waive further notice and hearing regarding the application of Humble Oil &
