Exhibit "A"

December 9, 1953

DIRECTIVE

TO: All Operators - Gas Pools - Southeast New Mexico

FROM: R. R. Spurrier, Secretary and Director

In connection with Orders R-368-A through R-376-A, inclusive, and Rules 3 and 4 of each order, the Commission has determined that the requirement of these rules pertaining to unorthodox well locations will be waived in the case of dual completions for which application to the Commission has been made and approval obtained by Commission Order.

In submitting plats under Rule 12 of each Order you will list the Order Number approving each dual completion on the plats if the well location is unorthodox and the waiver therefore necessary.
