

BEFORE THE OIL CONSERVATION COMMISSION OF THE STATE OF NEW MEXICO

IN THE MATTER OF THE APPLICATION  
OF EL PASO NATURAL GAS COMPANY FOR  
COMPULSORY COMMUNITIZATION OF THE  
W/2 OF SECTION 15, TOWNSHIP 31  
NORTH, RANGE 11 WEST, N.M.P.M.,  
SAN JUAN COUNTY, NEW MEXICO

NO. 708

TO THE HONORABLE COMMISSION:

Your Applicant, EL PASO NATURAL GAS COMPANY, represents that it is a Delaware corporation with a permit to do business in the State of New Mexico, and that it is the present owner and holder of leasehold rights or gas operating rights to the base of the Mesaverde formation under the following described oil and gas leases:

- a. Oil and Gas Lease dated September 1, 1948, from Saul A. Yager and wife, Marian Yager, as Lessors, to Wayne Moore, as Lessee, embracing among other lands the following described land in San Juan County, New Mexico:

Township 31 North, Range 11 West, N.M.P.M.  
Section 15: E/2 SW/4  
containing 80 acres, more or less.

- b. United States Oil and Gas Lease Serial Number Santa Fe 078051, C. M. Neal, Lessee, embracing among other lands the following described land in San Juan County, New Mexico:

Township 31 North, Range 11 West, N.M.P.M.  
Section 15: NW/4, W/2 SW/4  
containing 240 acres, more or less.

Your Applicant represents that all of the owners of working interests and overriding royalty interests in the tracts described under b. above have joined or agreed to join in the execution of a Communitization Agreement dated August 1, 1953, (unexecuted copy of which is attached hereto) and that your Applicant, as working interest owner of the tract described under subdivision a. above, has joined and entered such communitization agreement.

Your Applicant represents that the royalty interest on E/2 SW/4 of said Section 15, containing 80 acres, is owned by the following named persons:

Saul A. Yager, 613 Oil Capital Building, Tulsa, Oklahoma - 1/4;

Marian Yager, c/o C. H. Rosenstein, McBirney Building,  
Tulsa, Oklahoma - 1/4;

M. E. Gimp, c/o Zale's Jewelry, 1606 Main Street,  
Dallas, Texas - 1/4;

Morris Mizel and wife, Flora Mizel, 101 W. Cameron Street,  
Tulsa, Oklahoma - 1/8;

Sam Mizel, 101 W. Cameron Street, Tulsa, Oklahoma - 1/8.

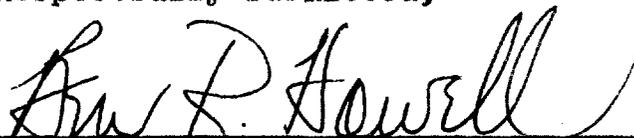

Your Applicant further represents that the lease from Saul A. Yager and Marian Yager was for a five-year term which would have expired on August 31, 1953, and that Saul A. Yager and Morris Mizel represented to your Applicant that the above named owners of royalty interests would join in the execution of a communitization agreement, and that your Applicant completed a commercial well producing gas from the Mesaverde formation located on the E/2 SW/4 in said section, and that said well was completed August 22, 1953, and that partially executed copies of the communitization agreement were sent to Saul A. Yager for execution and are now retained by him.

Your Applicant represents that, pursuant to the terms and provisions of Order No. R-110 made by this Commission, spacing of 320 acres has been established for drilling gas wells to the Mesaverde formation in San Juan County, New Mexico, and that E/2 SW/4, NW/4, W/2 SW/4 comprise the W/2 of said Section 15, containing 320 acres, which constitutes a proper spacing unit for drilling a Mesaverde well, and that all persons owning rights therein except Saul A. Yager, Marian Yager, M. E. Gimp, Morris Mizel and wife, Flora Mizel, and Sam Mizel have agreed to communitize and pool the above described oil and gas leases in so far as said leases cover the W/2 of said Section 15 in order to form one tract or drilling unit for the production of dry gas and liquid hydrocarbons extracted therefrom from the surface to the base of the Mesaverde formation. Your Applicant represents that it has made diligent efforts to negotiate an agreement with the royalty owners who have refused to join the communitization agreement and that your Applicant and the other owners of oil and gas leasehold rights who desire to communitize or pool the leases into a uniform spacing unit will be deprived of their opportunity to recover their just and equitable share of the natural gas in the gas pool lying

under the tracts of land covered by their leases unless this Commission requires the owners of all interests in oil and gas leases, royalties or mineral rights who have not joined in the communitization agreement to communitize or pool their interests to form a proper spacing unit.

Your Applicant respectfully requests than an appropriate order be entered by the Commission directing Saul A. Yager, Marian Yager, M. E. Gimp (also known as Morris E. Gimp), Morris Mizel and wife, Flora Mizel, and Sam Mizel to communitize or pool their interests pursuant to the terms of the attached Communitization Agreement, original partially executed copies of which/are in the possession of Saul A. Yager, Marian Yager, M. E. Gimp, Morris Mizel, Flora Mizel and Sam Mizel, or in the possession of one or more of them.

Respectfully submitted,

WHEREAS, in order to expedite the execution of this agreement all of the overriding royalty owners on each of the above described tracts are ratifying this agreement; and

WHEREAS, it is the desire of the parties hereto to communitize their respective interests in the above described Oil and Gas Leases in order to form one tract or drilling unit as follows:

Township 31 North, Range 11 West, N.M.P.M.  
Section 15: W/2  
containing 320 acres, more or less; and

WHEREAS, in order to be consistent with the existing rules and regulations covering well spacing and production allowables, all of the parties to this agreement desire to operate the communitized unit for the purpose and intention of developing and producing dry gas and liquid hydrocarbons extracted therefrom, in accordance with the terms and provisions of this agreement;

NOW, THEREFORE, in consideration of the premises and mutual advantages resulting from this agreement, it is mutually covenanted and agreed by and between the parties hereto that the land subjected to this agreement shall be developed and operated for dry gas and liquid hydrocarbons extracted therefrom producible from the Mesaverde formation as an entirety, with the understanding and agreement that the dry gas and liquid hydrocarbons extracted therefrom so produced from the communitized area from such formation allocated among the leaseholds comprising said area in the proportion that the acreage interest of each leasehold bears to the entire acreage interest committed hereto. The royalties payable

on the dry gas and liquid hydrocarbons extracted therefrom so allocated to the lands comprising the leaseholds and the rentals provided for in said leases shall be determined and paid on the basis respectively prescribed in the individual leases. There shall be no obligation on the parties hereto to offset any dry gas well or wells completed in the Mesaverde formation on separate component tracts into which said communitized tract is now or may hereafter be divided, nor shall either party be required to separately measure said dry gas and liquid hydrocarbons extracted therefrom by reason of the diverse ownership of the dry gas or liquid hydrocarbons extracted therefrom in or under said tract, but the parties hereto shall not be released from their obligation to protect said communitized tract from drainage by a dry gas well or wells which may be drilled offsetting said tract. Payment of the rentals under the terms of the leases hereinabove mentioned and described shall not be affected by this agreement except as provided for under the terms and provisions of said leases or as may herein be otherwise provided.

Except as herein modified and changed, said oil and gas leases hereinabove described shall remain in full force and effect as originally made and issued. It is further agreed that the commencement, completion, continued operation or production of a well or wells for dry gas on the communitized tract from the Mesaverde formation shall be construed and considered as the commencement, completion, continued operation or production as to each lease committed thereto.

It is further agreed that all production of dry gas and disposal thereof shall be in conformity with allocations, allotments and quotas made or fixed by any duly authorized person or regulatory body under applicable federal or state statutes. The provisions of this agreement shall be subject to all applicable federal and state laws, executive orders, rules and regulations which affect performance of any of the provisions of this agreement, and no party hereto shall suffer a forfeiture or be liable in damage for failure to comply with any of the provisions of this agreement if such compliance is prevented by, or if such failure results from compliance with any such laws, orders, rules or regulations.

El Paso shall be the unit operator of said communitized tract, and all matters of operation, adjustments between the parties hereto, and payment of royalties shall be determined and performed by El Paso.

This agreement shall be effective as of the date hereof, upon execution by the parties hereto, notwithstanding the date of execution, upon approval by the Director of the Geological Survey and shall remain in full force and effect for a period of two (2) years, and so long thereafter as dry gas is produced from any part of said communitized tract in paying quantities; provided, that, upon fulfillment of all requirements of the Director of the Geological Survey with respect to any dry hole or abandoned well, and prior to production in paying quantities of gas and liquid hydrocarbons extracted therefrom from said communitized tract, this agreement may be terminated at any time by mutual agreement of the parties hereto.

The unit operator (El Paso) agrees to furnish the Secretary of the Interior, or his duly authorized representatives, with a log and history of any well or wells, the monthly report of operations and the statement of all oil and gas runs and royalties, together with such other reports as are deemed necessary to compute monthly the royalty due the United States as specified in the applicable oil and gas operating regulations for any well completed within the communitized tract. The unit operator shall not discriminate against any employee or applicant for employment because of race, creed, color, or national origin, and shall require an identical provision to be inserted in all subcontracts.

It is further agreed between the parties hereto that the Secretary of the Interior, or his representatives, shall have the right of supervision over all operations within the communitized tract to the same extent and degree as provided in each of said oil and gas leases under which the United States of America is Lessor, and in the applicable oil and gas regulations of the Department of the Interior.

This agreement shall be binding upon the parties hereto and shall extend and be binding upon their heirs, executors, administrators, successors and assigns, and may be executed in one or more counterparts by any of the parties hereto, and all counterparts so executed shall be taken as a single agreement and shall have the same force and effect as if all parties had in fact executed a single instrument.
