Case 702

AIR MAIL

Mr. Dusty Rhodes
Oil Conservation Commission
Santa Fe, New Mexico

Dear Dusty:

At long last I have completed an application for an unorthodox gas proration unit covering the S $\frac{1}{2}$ of Section 35, Township 20 South, Range 37 East, N.M.P.M., Lea County, New Mexico, such lands being located within the limits of the Eumont Gas Pool

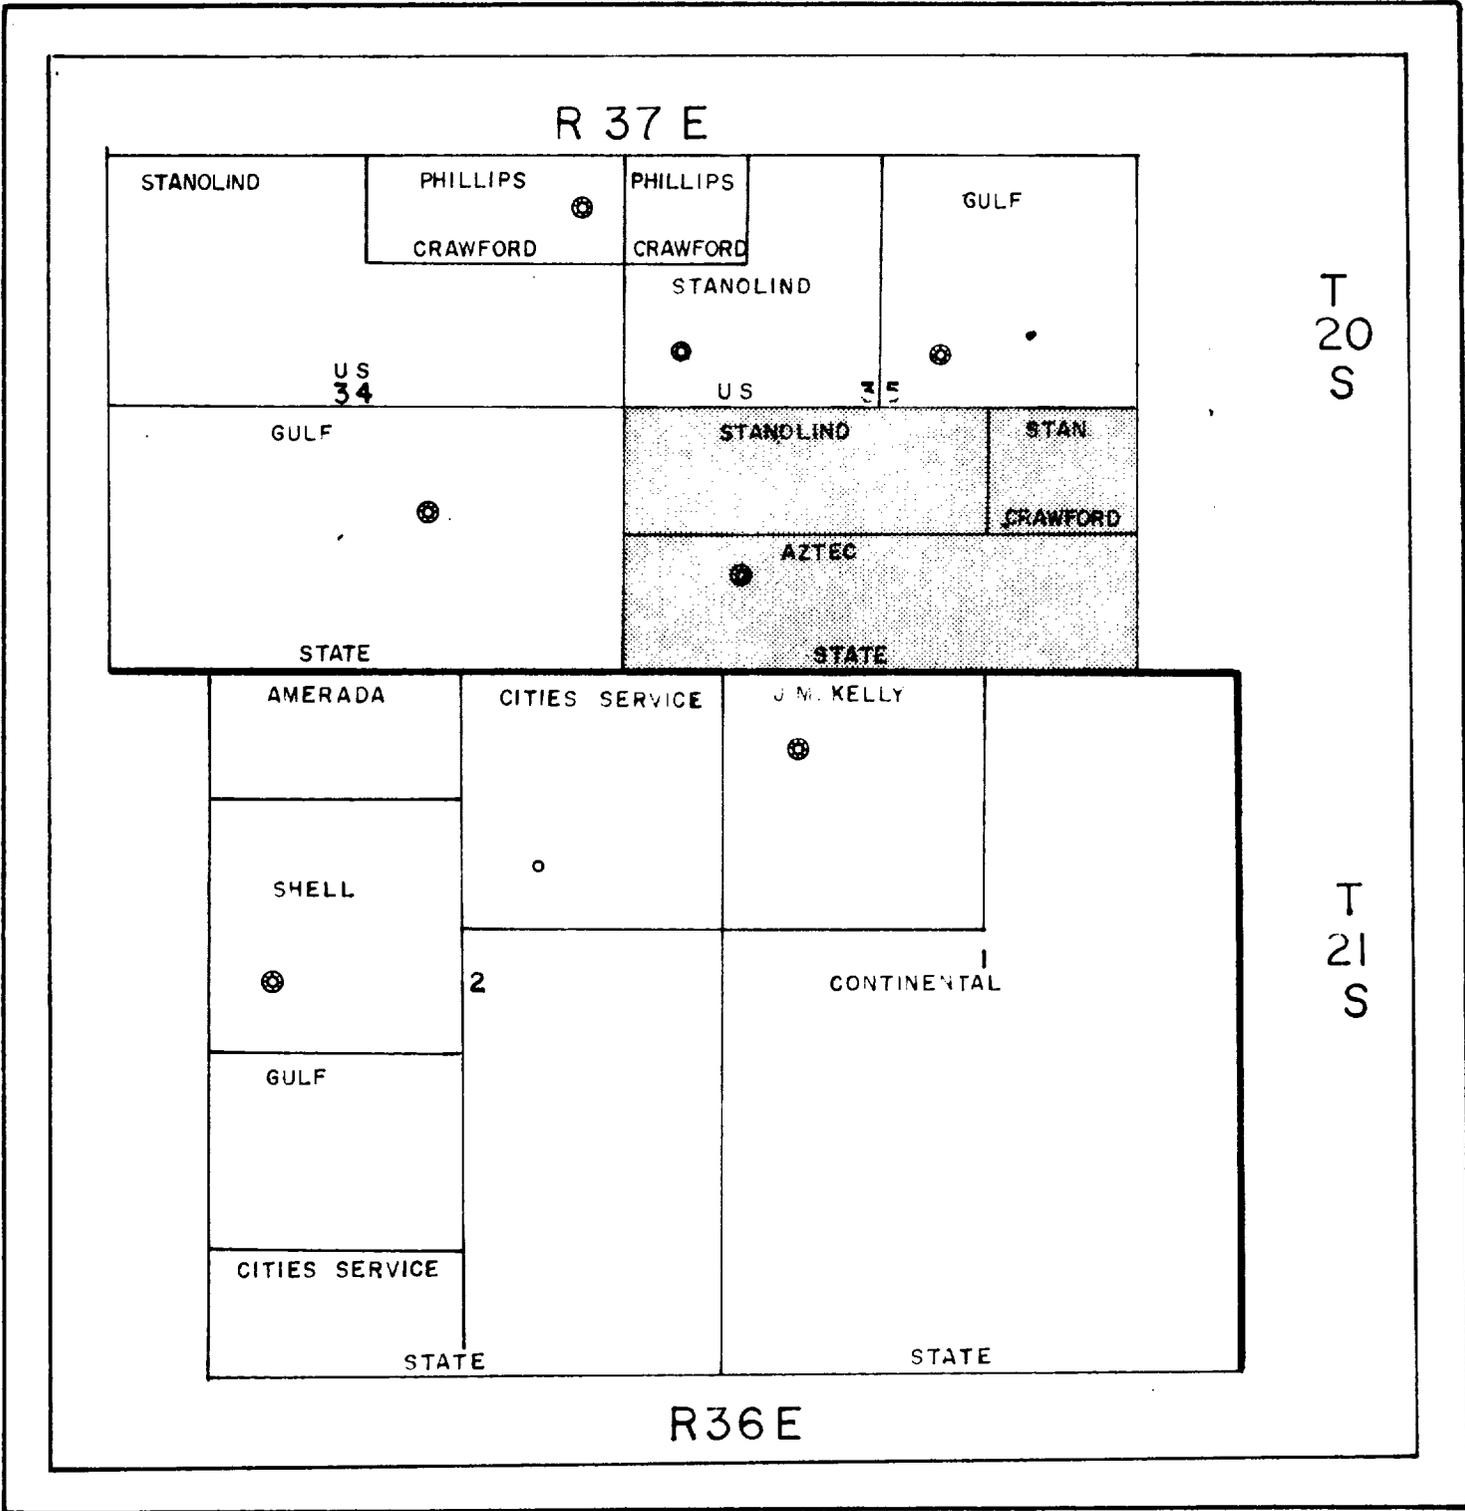

I just received a telephone call from Bob Enfield advising that Gulf Oil Corporation and Cities Service had signed waivers. I am hopeful that Continental and John Kelly will also sign within the next day or so, thereby eliminating the formal hearing.

My apologies for the delay in sending this application to you.

With best personal regards, I am

Yours very truly,
Quilman
