Humble EXHIBIT No. 5
CASE 993

H. Wirth, Leas
Place

12-27-55
Date

The undersigned, being an authorized representative of the offset operator, has been duly informed by Humble Oil & Refining Company of their intentions to secure Commission authority to expand the existing water flood area in the Queen Sand underlying Section 34, T-22-S, R-37-E, in the Penrose Skelly Field, Lea County, New Mexico, to the extent of converting the following wells to water injection wells: Humble's N. M. State "H" No. 2 and No. 3 and Gulf Coast Western's F. S. Glier No. 2 and No. 3. Offset operator hereby waives all objections to the conversion of the above stated wells to water injection wells, with the understanding that it will be necessary that a hearing be held before the New Mexico Oil Conservation Commission and a permit issued to convert said wells.
