CAUSE NO. 1219APPLICATION

Comes now Amerada Petroleum Corporation and alleges and states the following:

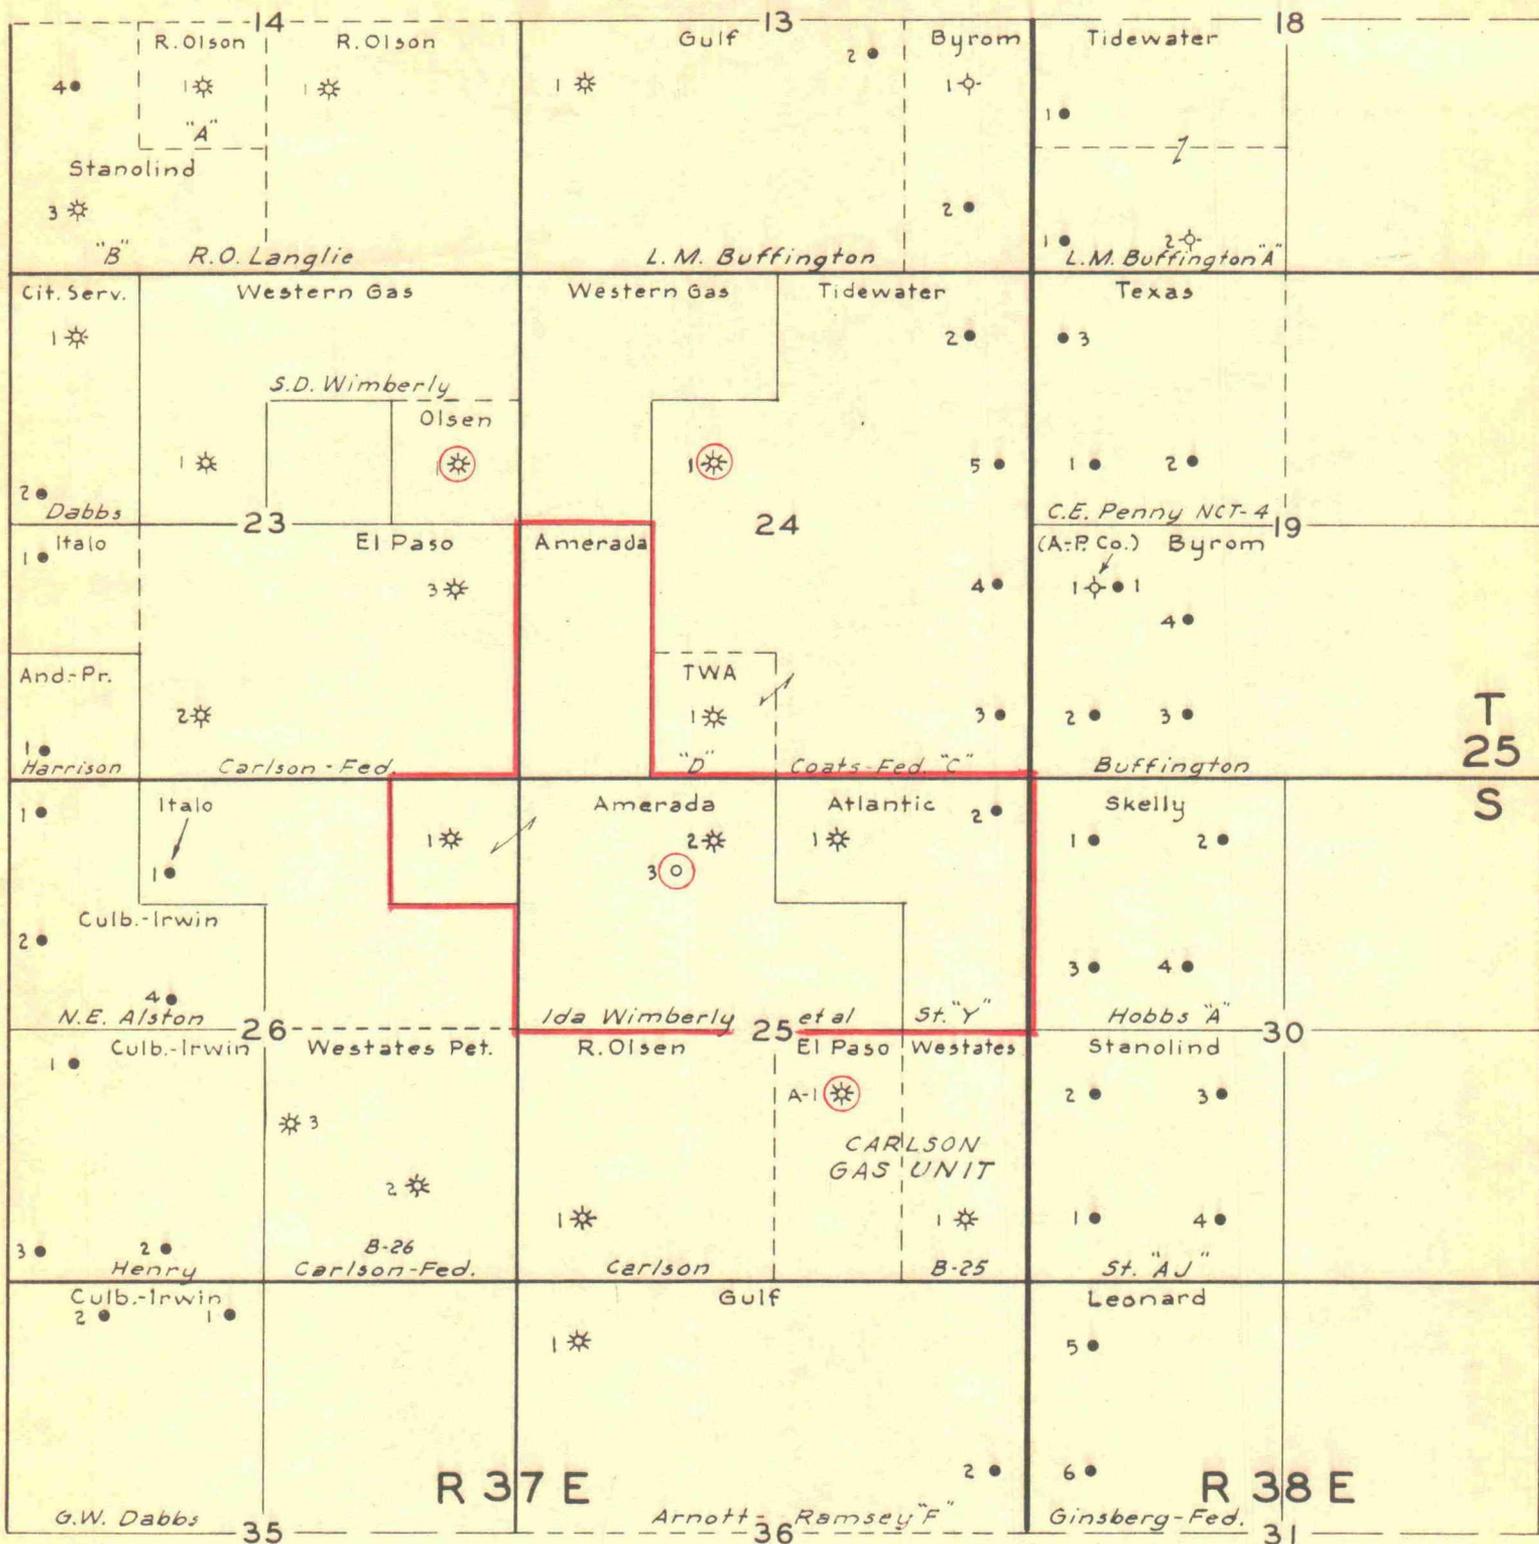

1. That Applicant is owner of the operating rights on the W/2 SW/4 of Section 24, the NW/4 and SW/4 NE/4 of Section 25, and NE/4 NE/4 of Section 26.
2. That Atlantic Refining Company is owner of the operating rights on the E/2 NE/4 and NW/4 NE/4 of Section 25.
3. That Applicant proposes to drill and complete in the Paddock Gas zone a well located 1650 feet from the West line and 990 feet from the North line of Section 25-25S-37E, Lea County, New Mexico, to be known as Amerada-Wimberly #3 Well.
4. That Applicant proposes to dedicate to said well the acreage under which it owns the operating rights as described in Paragraph 1 above, also, by agreement with Atlantic Refining Company to dedicate to said well the acreage described in Paragraph 2 above, and to form a single non-standard gas proration unit comprising a total of 440 acres as an exception to Rule 5-B of Order No. R-586.
5. That the unit herein proposed is made in the interest of conservation and will protect the correlative rights of owners thereunder.

WHEREFORE, Applicant respectfully requests that this matter be set for hearing and that upon due notice and hearing the Commission enter its order authorizing the formation of the 440-acre non-standard gas proration unit in the manner herein proposed.
