July 2, 1957

New Mexico Oil Conservation Commission  
Santa Fe, New Mexico

Attention: Mr. Warren Mankin

Gentlemen:

Will you please amend the Sunray Mid Continent Oil  
Company's Application in case No. 1280 in the following respects:

Paragraph 5, lines 1 and 2, delete the words  
"a daily input of"

It was an oversight that the said paragraph read:

"a daily input of 33,000 barrels of liquified petroleum"

It was intended that a total of 33,000 barrels be injected during the  
entire program.

Very truly yours,

  
L. C. WHITE

Re: Case 1280

Gentlemen:

This is to notify you that the Oil Conservation Commission of New Mexico has rendered a favorable decision on Sunray Mid-Continent Oil Company's application in Case 1280. You are hereby authorized to notify Sunray Mid-Continent Oil Company that they are authorized to proceed with the installation of its Pilot LPG and Gas Injection Project as outlined in their application.

A copy of the formal order in this case will be forwarded to you as soon as same is written.

Very truly yours,

William J. Cooley  
Commission Attorney
