Dear Mr. Cospers:

This letter will serve as notice of cancellation of Form C-110 approved by this office June 20, 1957 for the Skelly Oil Company #2 Jicarilla "B".

This well, located 1590 feet from the south line and 990 feet from the east line Section 31-25N-3W does not agree with paragraph (b) sub-paragraph 1 of the Order R-855 which states that a wildcat oil well shall not be located closer than 330 feet to any boundary line of the 40-acre drilling block.

A copy of Order R-855 is enclosed for your convenience and appropriate action.

If we can be of assistance, please let us know.

Yours very truly

Dear Sir:

This is to confirm our telegram sent to you as of this date, in which we seek an exception to Rule 104 to a well which was projected to a gas producing horizon in the area, but, unexpectedly completed as an oil well necessitating exception to the well spacing requirements of Rule 104.

Attached hereto is an original and three copies of application and although the nearest other operator would be approximately a mile or more from our location, the nearest operators are Southern Union, Superior, Gulf, Malco, Southern Petroleum and Petroleum Atlas.

As expressed in our telegram, we trust that this matter can be set for hearing on July 17. If you are unable to have this matter set for this date, if it could be set for an examiners hearing on or about July 26, same would be next best.

Yours very truly,
