Dear Sir:

Inasmuch as Magnolia Petroleum Company is scheduled on your docket of September 24, 1957, for hearing on the subject named well, please consider this as our request that this be dropped from the September 24th docket.

Application of Magnolia Petroleum Company for approval of an unorthodox gas well location in the subject named pool was assigned Case 1315. It is the request of this company that we delay such hearing until a later date.

Thank you for your attention to this request, which was discussed verbally with the writer on September 16, 1957.

Yours very truly,

W. C. Dougherty
District Superintendent
of Production
