1. Extend Project Area of So Blanco-Tocito Oil Pool (as set out in R-1191) to include
Section 8: S/2 NE/4 - NW/4
"   7: NE/4
"   6: all   Proposal is not wasteful or injurious to Correl. rts.

2. Conversion of E P N G Prod. Co. Rincon Unit Well no. 11 in SE/4 SE/4 Sect. 6-26 No - 6W.   &
Calkins Oil Co. Well no. T-123, in NW/4 NE/4 Sect. 7-26 No. - 6 West. Rio Arriba Co. to water injection.

However, in regard to Well # T-123. I would recommend to the OCC that authority to dual for injection of water into Tocito above Dakota production thru tbg. in a 5/2" liner be denied. (over.)

Re: Case 1420 – Application of Caulkins
Oil Company and El Paso Natural Gas
Products Company.

Gentlemen:

At the time of the hearing on the above captioned
case the consent and agreement of Delhi-Taylor Oil
Company had not been obtained for the proposed expan-
sion of the water injection project. We advised the
Commission examiner that upon securing such approval
the Commission would be notified.

I was advised today by Mr. Ed Norton of El Paso
Natural Gas Products Company that the approval of
Delhi-Taylor had been obtained. If anything further
is needed in connection with this, please let me know.

Yours very truly,

Jason W. Kellahin
