Mr. John F. Simms, Jr.  
P.O. Box 88

Dear John:

I have examined your application on behalf of King Oil Company and find it to be in good order. There is no reason why you can't get approval for all three wells in the same case.

The subject application will be set for hearing sometime early in May. You will receive official notification when the actual date is set.

If there is anything I can do to help you, please let me know.

Very truly yours,

William J. Cooley  
General Counsel
