Re: Application of Romero and Critchfield  
Case No. 1600

Gentlemen:

We have received a copy of letter of Mr. Jack M. Campbell, dated April 2, 1959, in regard to the above matter, in which he states that one of the applicants will be on an extended trip abroad until the end of May, and requesting a continuance to the June or July regular state-wide hearing.

Pacific Northwest Pipeline Corporation concurs in this request for a continuance and recommends that the matter be set for hearing on the July state-wide docket.

Very truly yours,

Burns H. Errebo
