Houston 1, Texas

Dear Mr. Graham:

Reference is made to your request for administrative approval of an exception to the no-flare provision of Order No. R-1427 for eighteen Standard Oil Company of Texas oil wells in the Bisti-Lower Gallup Oil Pool, San Juan County, New Mexico.

After studying your application, the Commission has determined that administrative approval cannot be granted. Accordingly, the case has been set for hearing before the Commission on January 13, 1960. It would be helpful if your witness in this case is prepared to testify concerning the present casinghead gas production from this well and the disposition thereof.

Very truly yours,

A. L. PORTER, Jr.
