Attention: Mr. D. C. Capps

Gentlemen:

We are in receipt of your application to complete your State EM "A" Well No. 2, located 660 feet from the South and West lines of Section 22, Township 19 North, Range 37 East, Lea County, New Mexico, as a dual Eumont gas and Eumont oil well, as well as your application for a 160-acre non-standard Eumont gas proration unit for this well.

As you know, the dual completion application will have to be set for hearing. While your application for a non-standard Eumont gas proration unit is eligible for administrative approval, no time will be lost by having this heard on the same date as your dual application. Accordingly, we are docketing both applications for an examiner hearing on January 27, 1960.

Very truly yours,

OLIVER E. PAYNE
