*Case 1915*

Dear Mr. Porter:

Enclosed herewith please find Application in triplicate of Redfern & Herd for creation of a gas pool for production of gas from the Gallup formation in Township 24 North, Ranges 6 and 7 West, N.M.P.M.

This matter should be set for hearing at the same time as Case No. 1891, and to that end, I have already discussed the matter with Mr. Nutter. I have discussed this matter with Val R. Reese & Associates and with El Paso Natural Gas Company, and they also are desirous of having the cases consolidated for hearing. Case No. 1891 is currently set for March 9 Examiner Hearing. If these matters cannot be heard at that time, then we would request that they be heard before the full Commission at its regular March hearing.

Very truly yours,

HERVEY, DOW & HINKLE
