Welch** (company), and that I am authorized by said company to make this report; and that this report was prepared under my supervision and direction and that the facts stated therein are true, correct and complete to the best of my knowledge.

Signature

* Should waivers from all offset operators not accompany an application for administrative approval, the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.

NOTE: If the proposed dual completion will result in an unorthodox well location and/or a non-standard proration unit in either or both of the producing zones, then separate application for approval of the same should be filed simultaneously with this application.

Re: Etz No. 3 well, NE/4 SE/4
Section 13-16S-30E, Eddy
County, New Mexico

Gentlemen:

Enclosed herewith you will find triplicate copies of the Application for Dual Completion, the Plat and the Diagrammatic Sketch of the Dual Completion for the above well, as per your request.

Please pardon the delay in providing this information. It took me some time to find the names of the owners of offset acreage.

Yours very truly,

J. M. Welch
J. M. WELCH
