Re: M-6447-A
Western-Federal #1
Lea County, New Mexico

Gentlemen:

Enclosed in triplicate is this company's application for authority to make a triple completion in the Blinebry and Drinkard oil zones and the Tubb gas zone in the Western-Federal #1 well located 330 feet from the north and west lines of Section 5-23S-38E NMPM, Lea County.

At the hearing on this application, we ask that the Commission also consider our application for approval of a non-standard gas proration unit in the Tubb Gas Pool consisting of Lots 1, 2, 3, and 4 of Section 5-23S-38E NMPM, Lea County, New Mexico, containing 131.20 acres, to be dedicated to the Western-Federal #1 well. We ask that this letter be considered as our application for approval of such a non-standard unit.

We have on this date mailed a copy of this letter to the offset operators listed in paragraph 5 of the application for triple completion.

We would appreciate having this application set for hearing before an examiner at the earliest available date.

Yours very truly,

CHARLES F. WHITE
Attorney

Re: Application of Anderson-
Prichard Oil Corporation for
Triple Completion of the Western-
Federal No. 1 Well and for
Approval of a Non-Standard Gas
Proration Unit in the Tubb Gas
Pool

The undersigned has been advised that Anderson-Prichard Oil Corporation has filed an application with the New Mexico Oil Conservation Commission, requesting an order authorizing the triple completion of the Western-Federal No. 1 Well located 330 feet from the North and West lines of Section 5-23S-38E NMPM, Lea County, New Mexico, in the Blinebry and Drinkard oil zones and the Tubb gas zone and approving a non-standard gas proration unit in the Tubb Gas Pool consisting of Lots 1, 2, 3 and 4 of Section 5-23S-38E, containing 181.20 acres, to be dedicated to the Western-Federal No. 1 Well.

The undersigned hereby waives any objection it might have to this application and consents to the issuance of the requested order.

Executed this 30 day of August, 1960.
