Attention: A. L. Porter

Dear Mr. Porter:

Aspen Crude Purchasing Company requests that a hearing be set for approval of three non-standard Gallup units in Section 11, Township 28 North, Range 13 West, San Juan County, New Mexico. We also desire approval of a non-standard location for a proposed Gallup and a proposed Dakota test in Lot 1, of Section 11, Township 28 North, Range 13 West.

Proposed Gallup Unit No. 1 includes Lots 1 and 2 plus the $SE\frac{1}{4}$ of the $SE\frac{1}{4}$ of Section 11. Total acreage is 97.78 acres more or less.

Proposed Gallup Unit No. 2 includes Lots 3 and 4 plus the $SW\frac{1}{4}$ of the $SW\frac{1}{4}$ of Section 11. Total acreage is 97.58 acres more or less.

Proposed Gallup Unit No. 3 is composed of the $SW\frac{1}{4}$ of the $SE\frac{1}{4}$ and the $SE\frac{1}{4}$ of the $SW\frac{1}{4}$ of Section 11. Total acreage is 80 acres more or less.

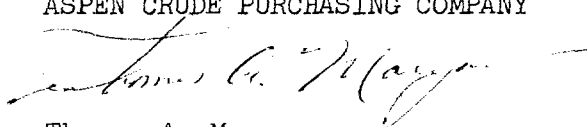

Dakota units in the area have been approved by a previous hearing. ✓

Rough terrain necessitated staking the Gallup location as indicated on the enclosed plat. An alternate is virtually impossible with respect to north-south alignment. The Dakota test will be staked at a later date but will be immediately adjacent to the Gallup location, providing approval is granted.

Thank you for your attention to these proposals.

Very truly yours,
